Expertise

Corporate , Digital Assets & Blockchain , Investment Funds

Angela Gizzi is a member of our Investment Funds team in the British Virgin Islands, advising on all aspects of the formation, licensing, maintenance, and restructuring of offshore funds, and regulatory matters. Angela counsels various fund vehicles, including private equity and hedge funds, limited partnerships, and startups operating in the crypto space.

Angela is also a member of our broader Corporate practice group, offering guidance on BVI corporate and commercial law, including mergers and acquisitions, corporate reorganisations, private equity investments, and capital raisings.

Prior to joining Harneys, Angela worked as a Corporate lawyer in Scotland for several years.
