Expertise

Litigation & Insolvency , Restructuring

Catie Wang is a member of our Litigation & Insolvency team in the Cayman Islands office. She has broad experience in multi-jurisdictional litigation concerning offshore companies operated in Asia, including just and equitable winding up, unfair prejudice claims, derivative claims, fair value appraisal litigation, and cross-border interim injunctions.

Before joining us, Catie worked at two other leading offshore law firms in Hong Kong. Prior to that, she worked in an international law firm in Singapore and a family office in Sydney.

Experience

Acting on the company side in share appraisal proceedings under section 238 of the Companies Act

Acting for a shareholder in a direct claim against a Cayman Islands company concerning dilution of shares.

Advising the board of a Cayman Islands company in relation to a restructuring.

Advising shareholders of Cayman Islands companies on contentious issues at shareholders' meetings.

Advising liquidators on dealing with assets in Cayman Islands and BVI.

Acting for a shareholder of a BVI company in a dispute concerning fraudulent transfer of shares.

Acting for a BVI company in a derivative claim.

Acting for a shareholder of a BVI company in an unfair prejudice claim.
