Expertise

Litigation & Insolvency , Restructuring

Isobel McNaught is a member of the Litigation, Insolvency, and Restructuring team in our British Virgin Islands office.

She has a broad range of commercial litigation experience with an interest in fraud, misrepresentation, breach of contract and debt and asset recovery, as well as having experience seeking urgent interim relief, including injunctions, freezing orders and receiverships. Isobel has acted for a wide variety of clients, including financial institutions, creditors, shareholders and directors.

Prior to joining Harneys in 2023, she worked in the dispute resolution department at a long-established central London law firm, advising on a range of commercial disputes.
