Expertise

Corporate , Digital Assets & Blockchain , Investment Funds ,
Regulatory & Tax

Kiril is a member of our Investment Funds & Regulatory team in the British Virgin Islands office. He also supports our Corporate practice group.

Kiril advises clients on all aspects of the formation, licensing, maintenance, and restructuring of offshore funds. He works with a wide range of industry sectors and clients, advising on economic substance and corporate and commercial law matters, including mergers and acquisitions, takeovers, private equity investments, joint ventures, corporate reorganisations, and commercial contracts.

Prior to joining Harneys in 2023, Kiril qualified as a solicitor in Scotland, where he worked for Morton Fraser LLP on a number of high-profile corporate transactions.
