Expertise

Investment Funds , Regulatory & Tax , Financial services
regulatory advisory , Sanctions & restrictive measures

Neofytos is a member of the Regulatory and Tax group in our Cyprus office. He regularly advises multinational clients on matters regarding financial services, sanctions, crypto-assets, and investment funds. His practice also involves tax information exchange and other regulatory law issues.

Prior to joining Harneys, Neofytos worked in the indirect tax department of a Cyprus firm gaining experience in both indirect tax advisory and compliance matters. Neofytos was also engaged in litigation, commercial and property law matters during his legal training in another Cyprus law firm.

Neofytos regularly contributes to the Regulatory Blog and is fluent in Greek and English.
