Expertise

Regulatory & Tax

Pierre-Luc Wolff is a member of our Tax & Regulatory team based in our Luxembourg office.

His main area of expertise includes Luxembourg and international tax matters. Pierre-Luc specialises in providing comprehensive tax guidance to asset managers, private equity firms, institutional investors, and high net-worth individuals with a focus on real estate, private equity, and venture capital structuring across Europe. He also advises clients on tax compliance related matters such as FATCA/CRS and DAC 6.

Before joining Harneys in September 2023, he worked for almost 10 years in top-tier law firms in Luxembourg.

Pierre-Luc is fluent in English and French.
