Expertise

Private Wealth

Samantha Conolly is a member of the Private Wealth team based in our Cayman Islands office.

She regularly advises private clients on the preparation of wills, estate administration, inheritance, and both contentious and non-contentious trust matters.

Prior to joining Harneys in 2024 Samantha trained and qualified in the Private Client team of another Cayman Islands based offshore firm. Before training and qualifying, Samantha worked in the Cayman Islands healthcare industry for over 15 years. This experience gives her a unique view on matters regarding capacity and undue influence, merging her medical and legal background.

Samantha volunteers with the Alex Panton Foundation and is a director, pharmaceutical, and legal advisor of the Alzheimer's and Dementia Association of the Cayman Islands.
