Expertise

Digital Assets & Blockchain , Investment Funds , Regulatory & Tax , Anti-money laundering (AML) & terrorist financing compliance , Financial services regulatory advisory , Insurance , Sanctions & restrictive measures

Thekla Homata is a member of our Regulatory & Tax practice group in our Cyprus offices. She regularly advises clients on matters regarding financial services, insurance firms, sanctions, payment services providers, electronic money institutions, crypto-assets, and investment funds. Her financial services practice also includes advising on any anti-money laundering and licensing matters.

Prior to joining Harneys in 2022, Thekla gained work experience during her mini-pupillages in London and legal internships in the UK and Cyprus.

Thekla is a member of the Cyprus Bar Association and is fluent in Greek and English.
